

1/2 ton Electric Chain Hoist w/ Power Trolley Variable Speed 220V 1ø 50~60HZ 13ft G100 Nickel Duty H4/M5

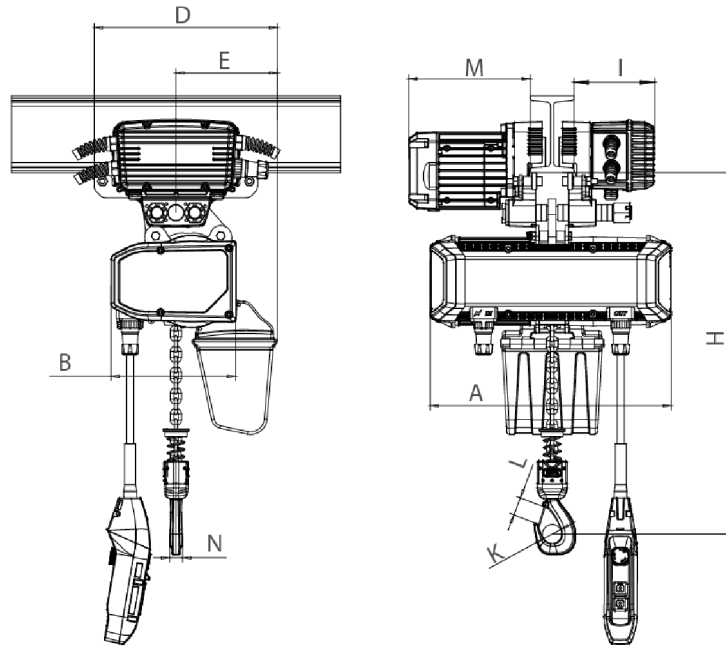

Key features

- Capacity: Lifts up to 1/2 ton (approximately 1,000 lbs)
- Power Supply: 220V single-phase, compatible with 50~60Hz
- Speed Control: Variable speed operation for precise lifting and lowering
- 3 Year Warranty, Customer Support and Service in the USA

Electric Chain Hoist Description

The 1/2 Ton Electric Chain Hoist with Power Trolley is a powerful and efficient lifting solution tailored for a variety of applications. With variable speed control, this hoist allows for precise handling of loads up to 1,000 lbs. It operates on a 220V single-phase power supply, compatible with both 50~60Hz, making it versatile for different settings. The integrated power trolley ensures smooth horizontal movement, ideal for tasks that require flexibility and accuracy.
