

5 Tons Scrapper Winch - Hydraulic Actuator

Key features

- Load Capacity: Capable of handling up to 5 tons, suitable for heavy-duty scrapping and lifting applications.
- Hydraulic Actuator: Features a hydraulic actuator for smooth and powerful operation, providing reliable performance in demanding environments.
- Safety Features: Includes essential safety mechanisms such as overload protection and hydraulic control systems to ensure safe and secure operation.
- 3 Year Warranty, Customer Support and Service in the USA

Winch Description

Optimize your industrial operations with our 5-ton scrapper winch equipped with a hydraulic actuator. Engineered for heavy-duty performance, this winch offers powerful lifting and precise control, thanks to its advanced hydraulic system. Ideal for demanding applications, it ensures efficient material handling and robust performance while enhancing safety and reliability in challenging environments.

Prowinch Scaper 5 Ton Winch

Our Scaper Winches are designed to get the best price, quality and performance ratio, backed by a 3-year warranty. The key components of the equipment are constantly tested and improved through our internal design processes, based on continuous improvement, under ISO9001: 2015 certification.

Performance and Quality

Suitable for use in transporting crushed material resulting from mining, in underground locations, in horizontal areas or on inclined planes with up to 45° slope.

Components

Assembled with the best components on the market that guarantee optimal equipment operation. Two-drum electrical equipment, powered by an advanced technology control board.

Technical Specifications

1st Layer Rated Capacity	5 ton	IEC Electric Control Box Protection	IP65
Number of Speeds	1 Speed - Optional Variable Speed	Control Voltage	24V
Voltage	3 Phase 380/440~480V 50/60Hz	Warranty	3 Year
Motor Type (68)	Electric AC	Standard Lifting Height	Up to 492 ft / 150 m
IEC Motor Protection	IP55		

Unit Weight & Dimensions

Total Unit Weight	5181 lbs / 2351 Kg
--------------------------	--------------------

Packaging Weight & Dimensions

Package 1 Net Weight	5181 lbs / 2351 Kg
Package 1 Width	82 in / 208.28 cm
Package 1 Gross Weight	5181 lbs / 2351 Kg
Package 1 Height	34 in / 86.36 cm
Package 1 Length	39 in / 99.06 cm
