5 Tons Scrapper Winch Explosion Proof Hydraulic Actuator - ATEX

Prowinch Scrapper 5 Ton Winch

Our Scrapper Winches are designed to get the best price, quality and performance ratio, backed by a 3-year warranty. The key components of the equipment are constantly tested and improved through our internal design processes, based on continuous improvement, under ISO9001: 2015 certification.

Performance and Quality

Suitable for use in transporting crushed material resulting from mining, in underground locations, in horizontal areas or on inclined planes with up to 45° slope.

Components

Assembled with the best components on the market that guarantee optimal equipment operation. Two-drum electrical equipment, powered by an advanced technology control board.

Technical Specifications

Voltage	3 Phase 380/440~480V 50/60Hz	Warranty	3 Year
IEC Motor Protection	IP55		

Unit Weight & Dimensions

Total Unit Weight	5358 lbs / 2432 Kg
--------------------------	--------------------

Packaging Weight & Dimensions

Package 1 Net Weight	5358 lbs / 2431 Kg
-----------------------------	--------------------

Package 1 Width	84 in / 213.36 cm
------------------------	-------------------

Package 1 Gross Weight	5358 lbs / 2431 Kg
-------------------------------	--------------------

Package 1 Height	35 in / 88.9 cm
-------------------------	-----------------

Package 1 Length	41 in / 104.14 cm
-------------------------	-------------------
