

## 5 Tons Scrapper Winch Explosion Proof Hydraulic Actuator - ATEX

### Key features

- Load Capacity: Handles up to 5 tons, designed for heavy-duty scrapping and lifting applications.
- Explosion Proof: ATEX certified for use in hazardous environments with flammable gases or dust, ensuring safety in explosive atmospheres.
- Safety Features: Includes essential safety mechanisms such as overload protection, hydraulic control systems, and explosion-proof design to ensure secure and safe operation.
- 3 Year Warranty, Customer Support and Service in the USA

### Winch Description

Ensure safety and reliability with our 5-ton scrapper winch featuring an explosion-proof hydraulic actuator, certified for ATEX compliance. Designed for hazardous environments, this winch combines powerful performance with advanced safety features to handle tough industrial tasks efficiently. The explosion-proof design protects against ignitions in explosive atmospheres, making it the ideal choice for high-risk applications.

### Prowinch Scrapper 5 Ton Winch

Our Scrapper Winches are designed to get the best price, quality and performance ratio, backed by a 3-year warranty. The key components of the equipment are constantly tested and improved through our internal design processes, based on continuous improvement, under ISO9001: 2015 certification.

### Performance and Quality

Suitable for use in transporting crushed material resulting from mining, in underground locations, in horizontal areas or on inclined planes with up to 45° slope.

### Components

Assembled with the best components on the market that guarantee optimal equipment operation. Two-drum electrical equipment, powered by an advanced technology control board.

## Technical Specifications

<b>1st Layer Rated Capacity</b>	5 ton	<b>IEC Electric Control Box Protection</b>	IP65
<b>Number of Speeds</b>	1 Speed - Optional Variable Speed	<b>Control Voltage</b>	24V
<b>Voltage</b>	3 Phase 380/440~480V 50/60Hz	<b>Warranty</b>	3 Year
<b>Motor Type (68)</b>	Electric AC	<b>Standard Lifting Height</b>	Up to 492 ft / 150 m
<b>IEC Motor Protection</b>	IP55		

## Unit Weight & Dimensions

<b>Total Unit Weight</b>	5358 lbs / 2432 Kg
--------------------------	--------------------

## Packaging Weight & Dimensions

<b>Package 1 Net Weight</b>	5358 lbs / 2431 Kg
<b>Package 1 Width</b>	84 in / 213.36 cm
<b>Package 1 Gross Weight</b>	5358 lbs / 2431 Kg
<b>Package 1 Height</b>	35 in / 88.9 cm
<b>Package 1 Length</b>	41 in / 104.14 cm
