

## Integrated Solenoid 12V for winches PWTR

### Key features

- High-Performance Solenoid: Optimized for heavy-duty use with 12V winch systems.
- Seamless Compatibility: Specifically designed for the PWTR series winches, ensuring easy integration.
- Compact Design: Space-efficient construction simplifies installation without compromising power.
- 3 Year Warranty, Customer Support and Service in the USA

### Integrated Solenoid 12V Description

The Integrated Solenoid 12V for PWTR Winches is a robust and efficient component designed to ensure reliable performance for winching systems. Tailored for seamless integration with PWTR series winches, this solenoid offers smooth operation, enhanced durability, and a compact design for space-saving installations.

## Technical Specifications

Warranty 3 Year

## Unit Weight & Dimensions

Total Unit Weight 2 lbs / 1 Kg

## Packaging Weight & Dimensions

Package 1 Net Weight 2 lbs / 1 Kg

Package 1 Width 3 in / 7.62 cm

Package 1 Gross Weight 2 lbs / 1 Kg

Package 1 Height 2 in / 5.08 cm

Package 1 Length 4 in / 10.16 cm
