Electric Winch Description

This Prowinch **9,500 lbs 12V Electric Winch** offers an excellent combination of power and performance. The strong, durable, IP67 waterproof winch allows you to complete even the most difficult jobs with ease. The IP67 waterproof rating allows you to use the winch even in adverse conditions.

Prowinch AC Electric Winch

All of our **AC electric winches** are created with the goal of offering the best price-performance ratio. Key components such as lifespan factors are constantly tested and improved in order to offer the best product for the price.

Key Components

All internal components have been upgraded to meet the highest quality standards. Final assembly and all tests are performed locally at Prowinch facility before shipping to ensure that every unit meets the corresponding standard.

Control System

These winches feature a unique remote control design, which allows the winch to be operated wired or wirelessly.

Braking System

Automatic brake system designed to automatically engage immediately upon any loss of power.
