

Oil seal 15 x 140 x 170

Key features

- **Durable Materials:** Made from high-quality elastomers to resist wear, heat, and environmental damage.
- **Precision Dimensions:** Designed with exact measurements (15 mm inner diameter, 140 mm outer diameter, 170 mm width) for a perfect fit.
- **Effective Sealing:** Provides a reliable barrier against oil and fluid leakage, enhancing system integrity.
- **3 Year Warranty, Customer Support and Service in the USA**

Oil seal 15 x 140 x 170 Description

The Oil Seal (15 x 140 x 170) is a high-performance sealing solution designed to prevent fluid leakage and protect against contaminants in various machinery applications. Engineered for durability and efficiency, this oil seal ensures optimal performance in hydraulic and mechanical systems.
